Programming Assignment: Programming Assignment Week 4

You have not submitted. You must earn 1/1 points to pass.

Deadline   Pass this assignment by October 14, 11:59 PM PDT

Instructions

My submission

Discussions

In this assignment you will

- create all necessary steps in order to prepare data for visualizing

- ensure you don't crash your plotting library by sampling subsets of your data

- prepare data for a histogram

- prepare data for a run chart

Please login to datascience.ibm.com and create a new Notebook. Please use the following as a template and follow the instructions in the Notebook. Once you are done you can export your work as python script using the name "assignment4.1.py" and submit it to the grader which you can see at the top under "My submission"

How to submit

When you're ready to submit, you can upload files for each part of the assignment on the "My submission" tab.
