Get an IBM Bluemix promo code

As an enrolled learner on this course IBM is providing 6 months access to Bluemix with additional resources over the standard account. To get the increased resources (necessary to complete some activities in this course) this link will take you to a web store (hosted by Kivuto) where you can checkout with a promo code after selecting the course title.

This course uses a third-party tool, Get an IBM Bluemix promo code, to enhance your learning experience. The tool will reference basic information like your Coursera ID.
